

FREE Stuff

FREE Stuff of interest to Christians

Audio Tapes/CDs/MP3s

Most of these audio tapes, CDs and MP3's are offered by various ministries. Some deal with non-religious topics but we have included them in this collection because we think Christians will find them useful.

Bible Study Helps

Various Bible study helps including free Bibles, reading schedules, lessons and more. For Bible computer programs, see our Software & Computer section.

Books & Magazines

This section includes free printed books that will be mailed to you as well as eBooks that you can download. Also

includes other publications such as magazines and pamphlets.

Education

Lots of free items related to education including Homeschooling, Sunday school and higher education. Something for nearly everybody.

Finances

Books, tapes, calculators and other items designed to help you be a good steward of the resources the Lord has provided.

Food

Food companies are giving free samples of their products. Here is a chance to get some. This is where we keep the recipes too!

Games

All kinds of games, both Christian in nature and otherwise. To the best of our knowledge this are all family-oriented. These are mostly computer games.

Graphics

All sorts of graphics for your computer, church bulletin or personal use. We are highly selective when it comes to

graphics, so you'll find some quality free things here.

Health

This section includes all sorts of free things related to health. There are also free items that deal with disease and injury prevention.

Home & Garden

Helpful and fun free stuff for your home and garden. Includes DIY items, various products and services for your home. Also something for gardening lovers.

Kids

All sorts of things of interest to Christian kids. Some of these things need to be acquired by parents to give to their children, so be aware that kids may not have access to everything here themselves.

Men

Free items of special interest to men. It's okay for others to take a peek at this section too.

Music

Includes music resources for churches and individuals as well as MP3s and other free things you can download or print.

Pet Stuff

All kinds of free things related to your pet, regardless of whether you have a dog, cat, horse or ferret.

Software & Computer

This section includes computer hardware, supplies. It also includes software, and we identify what is freeware and what is shareware.

Teens

All types of items of special interest to teenagers. Includes items that could have gone into other categories, but teens will probably appreciate these free things most.

Travel & Recreation

This is the place to check out free things relating to vacations, sports, camping and other fun stuff.

Women

Free items selected to be of special interest to women. Includes a wide variety of items of a general nature and can be viewed by all.
